REVISED AGENDA

III. ACTION ITEMS

A) REVIEW AND RECOMMEND APPROVAL OF UPDATED ARRA ENHANCEMENT LISTING

Background Information:

MPO staff was recently informed that there may be some ARRA Enhancement funding available due to lower than expected bids on some projects.

Keep in mind that we are rapidly closing in on the mandated deadline (March 2010) to have all funds obligated. Since there is a two to three month timeline involved for any new projects, MPO staff has updated the existing Enhancement List for ARRA funding to include the sidewalk project in Lake Helen, the sidewalk portion of the Dunn Avenue Extension, and the sidewalk portion of the Flagler Beach streetscape. All of these projects are at stages that make them "ready-to-go". The other projects, although design ready, might be subject to delay, thus endangering the expenditure of ARRA funds.
